

Pizza Recipe U.S.A.

The Quick Sheet - twenty styles with their typical build

Pizza came to America with Italian immigrants and grew a family of its own: the foldable New York slice, the tall Chicago pans, the steel rectangles of Detroit, the smokehouse pies of Texas. This quick sheet files all twenty styles with their typical composition - a free printable supplement of Pizza Recipe U.S.A., edited by Pierre Marc J D Jannot. Ingredient lines describe culinary tradition, not recipes.

#	Style	Origin / Tradition	Typical composition
1	Margherita	Naples, Italy	thin dough, tomato, fresh mozzarella, basil, olive oil
2	Neapolitan	Naples, Italy	hydrated dough, crushed tomato, fior di latte, olive oil, salt
3	Marinara	Naples, Italy	thin dough, tomato, garlic, oregano, olive oil; no cheese
4	Classic Italian	Italy, everyday style	thin crust, tomato or oil base, mozzarella, 1-2 toppings
5	Roman	Rome, Italy	oiled thin crust, tomato, mozzarella, anchovies or oregano
6	Sicilian	Sicily, Italy	tall airy dough, tomato, cheese, onions, breadcrumbs
